(b) Labor charge for locating, compiling, manipulating data, and reproducing information.

(1) The charge for labor costs incurred in processing a request for information is \$15 an hour. The labor charge includes the actual time to locate, compile, manipulate data, and reproduce the requested information.

(2) A labor charge shall not be billed in connection with complying with requests that are for 50 or fewer pages of paper records, unless the documents to be copied are located in:

(A) Two or more separate buildings that are not physically connected with each other; or

(B) A remote storage facility.

(3) A labor charge shall not be recovered for any time spent by an attorney, legal assistant, or any other person who reviews the requested information to determine whether the Association will raise any exceptions to disclosure of the requested information.

(c) Overhead charge.

(1) Whenever any labor charge is applicable to a request, the Association may include in the charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If the Association chooses to recover such costs, a charge shall be made in accordance with the methodology described in paragraph (3) of this subsection.

(2) An overhead charge shall not be made for requests for copies of 50 or fewer pages of standard paper records unless the request also qualifies for a labor charge.

(3) The overhead charge shall be computed at 20% of the charge made to cover any labor costs associated with a particular request. For example: if one hour of labor is used for a particular request, the formula would be as follows: Labor charge for locating, compiling, and reproducing, \$15.00 x .20 = \$3.00.

(d) Remote document retrieval charge.

To the extent that the retrieval of documents results in a charge to comply with a request, it is permissible to recover costs of such services for requests that qualify for labor charges.

(e) Miscellaneous supplies.

The actual cost of miscellaneous supplies, such as labels, boxes, and other supplies used to produce the requested information, may be added to the total charge for information.

(f) Postal and shipping charges.

The Association may add any related postal or shipping expenses which are necessary to transmit the reproduced information to the requesting party.

By their signatures below the President and Secretary of the Association certify that the foregoing was approved by the Board of Directors of the Association at a duly-called meeting of

the Board of Directors at which a quorum of Directors was present, or by signed, unanimous written consent in lieu of a meeting.
