QUORUM: We must have 29 association members present either physically or by proxy to meet quorum requirements. No quorum ... no official meeting. Lacking a quorum, we would have to reschedule the meeting. That would entail additional printing, mailing, and facility rental expenses ... about \$700 total.

If you won't be able to attend, please complete the proxy form. You can submit the proxy by emailing it, faxing it, or giving it to a neighbor who will be attending the meeting. One of the \$50 gift cards will be given to someone who submitted a proxy.

HOA E-BLAST

Dear Home Owners' Association Leaders,

As you may know, San Antonio City Council has passed a "Hands Free" driving ordinance. This means, starting January 1, 2015, it will be illegal to drive while using any hand held mobile device to talk or text.

We plan to spend the next several weeks getting information out to the public via social and mainstream media. Please help us spread the word through your communities so our fellow residents are aware of this and start getting into the habit of putting down those cell phones when you get behind the wheel. **KEEP 'EM ON THE WHEEL, SAN ANTONIO!**

As always, thank you for all you do to help make your neighborhoods and the greater San Antonio area a safe place to live, work, and play.

You can also see the official media release along with the full text of the ordinance [here](#).

Sincerely,

A handwritten signature in black ink that reads "William P. McManus".
