

# **WOODVIEW COMMUNITY GARAGE SALE SATURDAY, NOVEMBER 7, 2015**

Now that Autumn is upon us , it's a great time to participate in the Woodview HOA Community Garage Sale. Start searching closets, cabinets, garages, and storage units for those items you don't need any more.

To participate, you'll have to obtain a city garage sale permit. Most HEB stores have them available at customer service. The HOA will place a garage sale ad in the classified section of the Express News the week of the garage sale. Garage sale signs will be posted on that Saturday.

Below are guidelines established by the City of San Antonio. Notice that garage sales cannot begin before 9:00 am. However, don't be surprised if the early birds start cruising the neighborhood well before 9:00 am.

## **Do**

- Obtain a Garage Sale permit before the start of the sale.
- Post the permit in plain view at the time of the garage sale.
- Hours of Garage Sale are from 9:00 a.m. to 6:00 p.m.
- You may have up to four (4) Garage / Yard Sales per calendar year, on each property, not to exceed one (1) garage sale per quarter.
- Obtain a Garage Sale rain check at the City's Development Services Department for inclement weather. You have one week from the permit issue date to obtain a rain check. A rain check for emergency situations can be obtained by calling contacting (210) 207-6627.

## **Don't**

- Have a Garage Sale if a permit has not been obtained.
- Post or display signs on telephone poles, light standards, street signs or the City right-of-ways.
- Display the following items at your Garage Sale as these items are prohibited from selling to the public: glue, aerosol paints, guns, ammunition, or live animals.
- Sell food items unless you obtain a food sales permit from the City Health Department.
- Exhibit or display items on the public right-of-way.
- Obtain a Garage Sale permit if you are selling five (5) items or less.
